

Company Overview

Are you facing challenges that are preventing your organization from achieving its goals?

MindSpark – Education Management Consultants work with your independent school or non-profit CEO or Board to improve your organization's effectiveness and operational efficiency, and the achievement of your mission and goals.

We understand that every institution and project is unique, and our approach provides a flexible and specialized team of consultants specifically chosen and engaged for each individual client. We are involved in short- and long-term projects in most markets.

MindSpark – Education Management Consultants provide innovative services tailored for:

- ▶▶ Independent and Private Schools
- ▶▶ Starting or Expanding Independent Schools
- ▶▶ Governance Solutions for Non-Profit Organizations
- ▶▶ Strategic Planning for Private Schools

MindSpark – Education Management Consultants conducts a comprehensive needs assessment based on your mission, goals, and maturity of your organization's life cycle to develop the solution that best fits the needs of your organization. Solutions are specially designed for your board and administration to focus on your organization's individual issues and optimal performance.

Customized consulting services allows your organization to challenge assumptions, rethink systems, begin a planning process, tackle difficult issues, forge camaraderie, and ultimately improve your performance.

The DEPENDABLE EXPERT For Starting & Consulting To Independent Schools

Highest Quality Consulting Services

We offer a highly effective set of services and tools to help organizations manage performance. We have considerable experience with a strong and diverse portfolio in management and development expertise in the education sector, offering a comprehensive and distinctive set of services for organizational improvement. We work with senior management and board members to determine which services will best meet your needs to improve your organization's effectiveness and operational efficiency, and the achievement of your mission and goals.

Customized Solutions

We will take the time to get to know your organization before we recommend a solution. We'll learn about the history that has led to your success, your present situation and your goals for the future. Only then will we present recommendations and options for moving forward. Drawing on our expertise in management and education, we will work with you to customize the right combination of services to meet your needs.

Discover How to Improve Your Performance

When you work with MindSpark – Education Management Consultants, you'll start to see results quickly. Short-term changes will develop into long-term success — improved organizational efficiency and effectiveness that will impact your bottom line.

MindSpark – Education Management Consultants specializes in serving the non-profit community. If you're a Chair or Chief Executive of an independent school or non-profit looking to improve your institution's effectiveness, you've come to the right place.

MindSpark is a highly successful and respected Management and Development Consulting firm dedicated to providing a full range of customized strategic and tactical solutions for Senior Leaders of K-12 Independent Schools and Non-Profit Organizations. We assist clients in achieving new levels of excellence in the operation and administration of their organization.

You won't find anyone with a deeper understanding of the impact of organizational results. No matter what your organization, corporate culture, size or situation, chances are we've seen similar problems and helped others work through them. We start by talking with you about your situation and your needs, and then we draw on our portfolio of services to customize the right solution for you.

Our Guarantee

Our work is guaranteed. If we do not meet your objectives, and cannot meet them after your written notification and an attempt to correct the shortcoming, we will refund your fee!

Solid Reputation For Service

Our team at MindSpark – Education Management Consultants consists of members having diversified experience in public and K-12 private education sector in Pakistan and the Middle East; leading the design of National curriculum and learning resources, and; facilitating multifaceted projects for non- and for-profit organizations.
